To,

Deputy Director of Health Services,
State Bureau of Health Intelligence &
Vital Statistics,
Dr. Naidu Hospital Compound.

PUNE-411001

Sub:- Inclusion of full name of child in birth certificate-regarding.

Sir,

Please refer to your letter No. HIVS/D-83/Incl. of Full name/7651-53/2018 dated 03/08/2018 vide which clarification/guidance regarding modification in form no.1 (Birth Report Form) as 'Full name of child' (i.e. name, father's name & surname) instead of 'Name of child' in birth certificate has been sought. In respect of requisite modification in form No. 1, it is to clarify that the existing column of 'Name of the child, if any' in the birth reporting form no.1, is to enter the full name of the child, if already named. Therefore, in this regard there is no need to modify form no. 1.

2. In this connection, it is also to clarify that under the Indian Evidence Act, 1872, the entries in birth and death registers are only conclusive evidence of the fact of birth or death as the case may be. The extract/birth certificate has been issued by the Registrar on the basis of information furnished in the reporting form. Also, the expansion of name by adding in the father's and mother's name by way of corrections in the registration record are not attracted under the provisions of section 15 of Registration of Births & Deaths (RBD) Act, 1969.

Yours faithfully
